Chess Camp

Summer 2018

MEMPHIS UNIVERSITY SCHOOL

MEMPHIS, TN

JUNE 10-16, 2018

Experiencing Enrichment

With small class sizes & level-based groups, instructors cater material to push boundaries & broaden horizons. Using a mixture of media-based presentations, lectures, puzzles, hands-on activities, and over-the-board practice, students will never find a dull moment in the immersive chess classes at camp.

Athletic Involvement

What is a summer camp without getting out & enjoying the outdoors! Chess, known as a mental activity, requires a healthy body to foster a healthy mind. Group contests, races, field games, and “Soccer with the Grandmasters” are annual traditions of the Mid-South Chess Camp.

Mid-South Chess is one of the Premier Chess Camps in the Nation. It's staff of titled OTB chessplayers (Grandmasters, International Masters), seasoned Trainers, Authors, Early Education Specialists, Experienced Teachers, Counselors, and Administrators return year after year to share chess with students from around the country right here in Memphis!
